Work Title: Documentary Drag

Medium, Technique, Material: Video (still), 6.49

Work Description: The fictional documentary film *Documentary Drag* portrays several characters created, directed and played by Johan Lundin and Rasmus Östebro.

- Drag weaves the fictional and the documentary together and creates a platform between these two realities, where the perceived seems ambiguous...perhaps.

Documentary Drag appeared during the opening of Konstfack Degree Exhibition 2015.

Photographer: Johan Lundin & Rasmus Östebro
